Enhancing the Lives of Jewish Women

we did

In 1999, the Jewish Women's Foundation began with three simple words, "Imagine the Possibilities." We imag-

ined what we could accomplish if we combined our philanthropic dollars, empowering us to help the Jewish women and girls of today and those of future generations. The possibilities are limitless.

you can too

trustee involvement

- The JWF provides a hands-on forum for involvement with a group of committed women who have the vision and resources to make an impact on the community.
- The Foundation supports innovative programs and projects that benefit Jewish women and girls.
- Foundation Trustees become knowledgeable grant-makers by participating in grant cycle planning, due diligence and grant determinations.
- Each Trustee has an equal voice and vote on all grant-making, financial and policy decisions.
- Trustees participate in Foundation operations and oversight of the Foundation's finances and endowment.
- The JWF fosters individual relationships, develops leadership skills and advances community connections.

social change through strategic grant making

The Jewish Women's Foundation benefits Jewish women and girls in Michigan, Israel and the Diaspora by funding initiatives that:

- Promote healthy lifestyles, self-esteem and life-skills training
- Address spousal, child, elder and teen dating abuse
- Build financial literacy and self-sufficiency
- Enrich lives through health, education, social opportunity and job training
- Enhance the lives of women and girls from all streams of Judaism
